

PRIVACY NOTICE

This Privacy Notice is written by Michael and Amanda Fisher, owners of Nonna's Nest, 12 Court Broomes, East Sutton, Maidstone, Kent ME17 3DH

As Childminders we are required to keep personal data for each child as set out by the Early Years Foundation Stage. This is for both contractual reasons and also for Emergency reasons. We are required to inform you of how we both process and store personal data in our setting.

The Information We Collect

In our setting we are mainly electronic based, and all records are stored securely on servers maintained by Baby's Day's (for further information on security please click on the following link: [Baby's Days security](#)). We do use a closed

Facebook group for some news and information relating to our setting and whatsapp as a means to communicate, we also use emails for invoices, policies and permissions. As childminders no unauthorised people have access to these records and any visitors to our setting sign in and will never be left alone with any confidential information.

How We Use Your Data

Sometimes we may need to share information with other settings to ensure your child is getting the best possible and consistent care. However permission is sought for this. Major safeguarding concerns will be the only occasion we may need to share information without permission. Please see our safeguarding policy for further information. Mostly we use the data to enter into a legally binding contract with each family, and to use in the event of an emergency. Your data is not used for any commercial purpose, or passed on to any other parties.

We are covered by the ICO for using our mobile phones to contact you and to store your numbers and to take photos of your child. Photos are deleted as soon as possible. Our phones are either pin number, pattern or fingerprint protected.

Once a child leaves our setting the only data we will keep will be the ones required by law, please see my GDPR Policy. You will take some data away with you and anything else non statutory can be destroyed at your request.

As childminders we must adhere to the Lawfulness of Processing Data, in short any data we need from you must fall into one of the following categories.

1. Consent of the data subject
2. Processing is necessary for the performance of a contract with the data subject.
3. Processing is necessary for the compliance with a legal obligation.
4. Processing is necessary to protect the vital interests of the data subject.
5. Processing is necessary in the public interest or the controller has official authority.
6. Processing is necessary for the purposes of legitimate interests pursued by the controller or a third party.

The data we are required by law to hold for each child is as follows:

Child's Name

Child's DOB

Child's Address and Contact Details

Parent Addresses (if different) and Contact Details including phone number

Parental Responsibility

Legal contact

Emergency Contact Details (2 people not including parents)

Allergies / dietary requirements information

Any other special requirements / needs / medical history details

Names of people who can collect your child if not yourselves

Doctor's Name and address, and contact number

As such the above can be collected in compliance with the principles above; we need this data to put a contract together to make it legally binding, and to abide by our OFSTED registration requirements. Therefore the data will be necessary under Points 3 and 4 at the very least.

Disclosure

Your information held here is secure and held only by us unless we are required to share with a third party such as another childcare setting, health visitor, safeguarding complaint, or Doctor's in the event of an emergency. Please refer to my policies and permissions for further information.

Retention of Data

When you leave our setting, you are entitled to take all data relating to your child's progress. We are required by law to hold onto some data for a long period of time so we cannot destroy these or pass them over to you. Please ask if you would like further information on the retention timescales. You have the right to request any additional data that we may hold is either handed over to you or destroyed at your request.

Special Category Data

Special Category Data in the Early Years sector includes:
